# 2011 Christmas Parade - Saturday, 12/10/2011, 5:30pm

## Line-up instructions

The parade route is 1.3 miles long, starting at the intersection of Pfennig Lane and Railroad Avenue at Park Crest Middle School (PCMS). It proceeds south on Railroad Avenue to downtown Pflugerville.

You will be assigned one or more line-up slots along Pfennig Lane running west of Railroad Ave. Slot 1 is at the start of the parade route. Police/Fire/EMS vehicles will lead the parade followed by a band consisting of members from one or more Pflugerville ISD high schools.

## Parking

NO PARKING will be allowed in the line-up area or along Pfennig Lane, except for vehicles participating in the parade. You may drop off parade participants at the line-up area, but all extra vehicles and support vehicles must be removed from the area by 5pm.

Parking will be available at PCMS, at St Elizabeth Church (behind PCMS), at Brookhollow Elementary School (BES), and in the field across Railroad Ave from BES. (BES is the approximate midpoint of the parade route).

If you have a large trailer, park it in the field behind St Elizabeth church (see detailed line-up map). After dropping off your group or equipment, turn left (north) on Railroad Ave and take the first driveway on the left. **Beware that it is a very sharp turn.**

There is a 5pm Mass at St. Elizabeth that uses most of the main parking lot. Please be considerate.

## Parade precautions

Floats, trailers, and trucks used for carrying parade participants must operate in a safe manner. If children are riding on any part of the parade vehicle, there must be adult supervision with the children. The adults must be in the same location as the children (i.e. on the trailer or in the truck bed, not just in the cab).

At another local parade near Pflugerville, a child was killed when she fell from a float while reaching off of the trailer trying to retrieve a loose rope.

**Adult supervision is absolutely required.**

## End of parade instructions

You cannot stop to unload riders at the tree downtown – everyone must continue past the tree and turn right. Check the map and plan a meeting spot near downtown or back near the start of the parade.

## Pflugerville PD Rules and Regulations

- **Do not move any traffic cones in the line-up area or along the parade route.**
- **All floats must be lighted.**
- **All vehicles must have their parking lights on during the parade.**
- **Only people walking alongside the float are allowed to throw candy.**
- **Do not stop at the tree to unload.**
